Kutztown Fair Youth Show and Sale

Family Packer Intent Form

I am expressing my intent to be the Family Packer for my animals listed below.

I acknowledge that I am accepting the designated Packer Price set by the Kutztown Fair Show and Sale Committee for each animal. I also agree to pay the full Packer Price at the end of the Sale.

I also know that designating myself as the Family Packer does not guarantee I will get to take the animal home. If the winning bidder at the sale selects to keep the animal your family packer intent is null and void.
